Terms and Conditions For Wedding Makeup Bookings.

Bride only price is £150 on the day of your wedding and a trial price of £50.

Trials must be paid for on the day or the day before the trial.

Trials will take place at your home, venue or my home if you are travelling far.

Trials take approximately 1-2 hours. Please check for inspirational images to help.

A £25 non-returnable booking fee is required to secure your wedding date. Without this, the date is free for other brides and can't be held responsible if this date is allocated to another bridal party. This is then deducted from the final balance on your wedding day and NOT deducted from the trial cost.

The final balance is required cash on the day or a bank transfer two days before the wedding.

Travel costs may occur depending on location.

Saturdays in the busy months of June, July, and August - may require a minimum party number.

On the day of the wedding, I require space preferably near a window with natural light and a plug socket (Please let me know if I need to bring my table, chair and lighting).

If the venue is a hotel, please let me know what room number/name the bridal party are staying in.
